

Take a moment... Enjoy the spirit of Tahe Kayaks.

The designer of our new kayak models, Johan Wirsén, has designed numerous kayaks over the years, both for himself and for leading brands around the world. Paying the highest attention to the smallest details, the visual energy and applied functionality of his work is truly unique. He holds the power to transform the realm of water. The focus for his creativity is always on you, the person who is sitting in the kayak surrounded by the all-powerful water.
